Mr. Hawkins,

Thank you for your call on Friday. I spoke with Andrea Smith in the Petitions Department and was told by her that you are the person that must receive this petition. To summarize the entire situation in a sentence:

I did not received a letter from publications that needed a reply and another letter was sent that I also did not receive but was returned to the USPTO then I received a call from the examiner.

All of the facts are in the petition. If I can add anything else please call me on my cell phone at 214 236 2329.

Thank you very much!

Rick Reichert
